## ACT NO. 55, OF NOVEMBER 22, 2024

The Ministry of Agriculture and Livestock, herein represented by the General Coordination of Pesticides and Related Products, in compliance with the judgment handed down in the lawsuit no. 1063042-20.2023.4.01.3400/DF, proposed by the NATIONAL UNION OF THE INDUSTRY OF VEGETABLE DEFENSE PRODUCTS - SINDIVEG, under the terms of the Enforcement Opinion no. 00942/2024/CORESPAP/PRU1R/PGU/AGU, which determines that the Ministry of Agriculture and Livestock, as the registering body, immediately grant equal treatment to all administrative registration processes, registration requests and registration change requests already submitted that involve the active ingredient imidacloprid, owned by companies associated with the aforementioned Union;

WHEREAS, as provided for in articles 4, V; 28 and 31 of Law 14,785/89 and sole paragraph of art. 19 of Decree 4,074/02, it is the responsibility of the Ministry of Agriculture and Livestock to coordinate the process of reanalysis of pesticides and, at the end, decide on the resulting measures to be applied;

WHEREAS in the case of the reanalysis of the active ingredient imidacloprid, the risk management measures were embodied in the already published Act No. 71, of June 29, 2022, amended by Act No. 1, of January 10, 2023, the General Coordination of Pesticides and Related Products;

CONSIDERING the need to harmonize Communiqué No. 9630881 with Act 71 Act No. 71, of June 29, 2022 resolves that,

The products listed in table 1 are authorized for use for the respective crops listed in the same table, observing the restrictions set out in Act 71 of June 29, 2022.
